

Pierre Laval Executed By Firing Squad; Poison Fails

By MEL MOST

Paris, Oct. 15 (AP)—Pierre Laval was executed as a traitor to France today after failing to cheat the firing squad by swallowing poison.

The man who collaborated with the Germans as chief of government in old Marshal Petain's Vichy regime died from a coup de grace, fired through his ear, when a volley from the firing squad did not kill him.

Doctors restored the swarthy traitor from the effects of poison taken four hours earlier. He was led to the courtyard of the bleak old Fesnes prison and died with a cry of "vive la France" on his lips.

Refused Last Request

He was refused a final request to give the order for his own death to the execution squad.

Laval refused a proffered blindfold and faced his executioners.

These were his last words: "It is not the soldiers' fault. They know not what they do. Vive la France!"

The twelve riflemen fired.

Laval fell only to his knees.

An officer rushed up immediately, aimed his revolver into Laval's ear and fired. The coup de grace dispatched Laval at 12:32 p. m. and he fell dead into the dirt of the courtyard.

The man who before the war had thrice been Premier of France and a dozen times a member of her cabinets was condemned by the High Court of Justice last week—the same court which condemned former Premier Marshal Petain and Joseph Darnand, the head of the Vichy militia.

Wounded Before

Petaim's sentence was commuted to life imprisonment and disgrace; Darnand stood before a firing squad only a few days before Laval.

It was not the first time Laval had felt the steel of a bullet. While leading the Vichy government, he was wounded and almost killed by a youthful assassin. Laval testified during the trial of Marshal Petain that the wounds from that attempt still bothered him.

The trial of Laval was cut short by Laval's own sidown strike against the proceedings, which he termed "a judicial crime." His first statement had been greeted by a burst of jeers and shouts from the presiding judge, prosecutor and jurors. Twice during the first three days, Laval was ejected from the courtroom. His lawyers quit at the start of the trial, but returned only when threatened with disbarment.

Confined In Dungeon

After his second ejection from the trial, Laval was confined in a dungeon beneath the courtroom. He wrote some brief notes outlining his defense.

A coffin lay near the spot where Laval had pitched forward in death. The body was placed in it swiftly and loaded into a hearse.

Three official cars bearing the prefect of police, the attorney general and the local police commissioner accompanied the hearse from the gates of the prison.

The little procession went to nearby Thiais cemetery and there Laval's coffin was lowered into the ground, close to the grave of Darnand.

Unmarked Grave

Next to Laval's plot was a grave marked:

"Here lies an unknown collaborator."

Grave diggers immediately began covering Laval's coffin with dirt.

YOUNG DELPHEY SENTENCED TO YEAR IN JAIL

Charles Richard Delphey, 21, Gettysburg, who had pleaded guilty to robbing the home of his foster-father, Charles Phylander Delphey at Aspers of \$850, was sentenced to serve a year in the county jail by Judge W. C. Sheely in court here this morning.

Delphey had admitted that he stole the money from between mattresses on the elder Delphey's bed several days after the latter had been reported missing. The senior Delphey later was found dead with an autopsy showing he died of natural causes.

Young Delphey, also charged with a serious offense, drew a three-month sentence on that charge but it will run concurrently with the longer term.

Other Convictions

The cash recovered from young Delphey and the two rings and the wrist watch Delphey purchased with the stolen money were shown to the court. All will be turned over to the estate of their deceased owner.

Young Delphey admitted in court this morning a federal conviction in Florida on a car theft charge and a conviction in Baltimore for selling gasoline stamps. He also told the court he had been discharged from the service for a fraudulent enlistment. He said his foster-father had reared him from the age of two.

Robert Crum, Biglerville R. D., who was in court on a charge of driving a car while his operating privileges were suspended, his second offense, was given 60 days in jail and ordered to pay the costs.

On his first offense, he told the court, he drew 45 days.

Fined; Probation

Eugene E. Weidner, York Springs R. 2, who had pleaded guilty to a charge of furnishing a minor with a gun, was ordered to pay \$25 to the county and pay the costs of the case.

He told the court the youth in question had found the weapon in a junk heap and that he had complied with the boy's request to give him the gun. Jail sentence was suspended and Weidner was placed on probation for a year.

Parker Swope, Silver Run, Md., charged with failing to reveal his identity at the scene of an accident, was ordered to pay \$50 to the county and pay the costs of the case. State police brought the charge.

Clarence L. Warren, Fairfield R. 1, who last week pleaded guilty to a hit and run driving charge and another count of turning off his lights to avoid identification, came into court for sentence this morning admitting the first charge but denying that he had turned off the lights of his car as he left the scene.

Defer Sentence

When asked by the court why he had pleaded guilty to the charge last week, he said "they scared me" without indicating to whom he referred as "they." Judge Sheely allowed him to withdraw the "guilty" plea on the lights charge and deferred sentence on the hit and run case until the other is disposed of. Warren likely will be listed for trial in November.

R. L. Stenger, Waynesboro, prosecutor in the Warren case, told the court that Warren deliberately turned his machine into the Stenger car as Stenger attempted to pass him on Stenwehr avenue.

In accordance with terms of an agreement between counsel, the court sentenced Paul Wolf, York Springs, to pay \$15 per week for the support of his two children in a non-support case brought by his wife, Dorothy. Wolf was ordered to post a compliance bond.

Non-Support Cases

After a hearing on the reopening of an old non-support charge against Louis Chamberlain, Gettysburg, the court ordered Chamberlain to pay \$10 weekly for the support of his wife and children, pay the court costs and post a compliance bond.

The case of Simon Kuhn, Gettysburg R. 5, was listed as settled after terms of agreement were read to the court.

Clarence Gilbert, South Mountain, who has not paid any court costs in a year in an old support case, was given until November 9 to pay up. Gilbert explained he is living on public assistance money and is unable to work because of ill health. He said he has a "doctor's certificate."

Navy Ends Program At Mount This Month

The Navy V-12 program at Mt. St. Mary's college, Emmitsburg, will be brought to its conclusion the latter part of this month.

The program at the Mount was begun in July, 1943, and the last Navy class is now winding up its courses.

On Saturday evening the final Navy-sponsored dance was held and today the girls of St. Joseph's college will hold a farewell skating party for the class at Taneytown.

Miss Mary H. Himes Resigns Position

Miss Mary Hay Himes, cataloguer at the college library who resigned to the college board three years ago but continued in her position until the present, has relinquished her duties following a serious illness she suffered this summer. She is convalescing at her home on Carlisle street.

Miss Himes was the senior member of the library staff having served in that capacity since 1916. From 1909 to 1916 she was the preceptress and did tutoring in the girls' study room of the preparatory department in Stevens Hall.

During the first World War Miss Himes was appointed local representative of the American Library Association and assisted the state Library Commission in giving library service to Camp Colt whose commander was Dwight D. Eisenhower.

GRAB CASE ON ARMS' CHARGE ARGUED TODAY

Argument on the case of E. G. Grab, Harrisburg street, who paid \$200 and the costs on a charge under the Uniform Firearms Act here last spring and now is seeking to have that penalty set aside, occupied nearly an hour of the Adams county court's time here this morning.

Sidney Friedman, Esq., Harrisburg, who now represents Grab, argued for more than 45 minutes that the pistol Grab carried last February to the Knouse corporation plant at Peach Glen where he was then employed was "not a complete firearm," that Grab had not waived any of his legal rights by entering a plea of "no defense" to the charge and coming into court for sentence, and that he could not be blamed for not exercising "due diligence" in placing certain facts before the court before he was sentenced.

Friedman pointed out the gun was unloaded and lacked a magazine without which, he said, the weapon could not be used. He declared "an injustice has been done" in this case, charged that Grab was "misled" by statements made by state police at the time of Grab's arrest. Friedman drew a correction from the court on his reference to the state police.

Yake Takes Exception

District Attorney J. Francis Yake in presenting his case to the court asserted the information against Grab was filed at his direction. He declared that for Grab to wait "three months" before coming to court with new evidence in his case on questions which Yake charged Grab had raised before he was sentenced was not displaying "due diligence."

Mr. Yake further pointed out to the court a special provision of the Uniform Firearms Act which provided for transporting damaged or defective guns "in a secure wrapper." He also raised the question of how far a magazine may be from a gun without making it an incomplete weapon. He charged that Grab is "guilty as charged."

Next procedure in the case will be the filing of an opinion by the court.

Argument also was heard briefly in an accusatory action by R. M. Walton against E. Charles Matthias. The court made absolute an earlier rule for a more specific statement (Please Turn to Page 2)

Nine Countians Are Released By Army

Nine more Adams countians have received their discharges from the army at Indiantown Gap.

Included are T/5 Clyde W. Musselman, Fairfield R. 1; T/5 Quinton A. Shultz, Fairfield R. 2; Sgt. William E. Oyler, Biglerville R. 1; T/4 Martin Y. Christopher, Gettysburg R. 4; Pfc. John H. RIGHTMYER IS HEAD OF USW FOR FIFTH TERM

George S. Rightmyer was elected commander for the Sgt. William M. Steffy Camp, No. 126, United Spanish War Veterans, for his fifth consecutive term at the annual election of officers last Friday evening. This is the first time that any member of the local camp was ever selected for the office for five consecutive years. Local members of the camp said they believed it sets a record in the state and perhaps in the country.

The nomination and election of officers took place at the session in the Legion home. Other officers elected include:

Percy Robinson, R. 5, senior vice commander; Wallace Bell, Fayetteville R. 1, junior vice commander; John A. Zimmerman, Waynesboro R. 4, adjutant and quartermaster; Samuel D. Snyder, Littlestown R. 1, officer of the day and trustee for three years; William Bechtel, Hanover, chaplain; Robert E. Tipton, Gettysburg, quartermaster sergeant; John L. Shoop, Gettysburg, officer of the guard; Ralph Sandoe, Biglerville, sergeant major; John Zercher, Hanover, patriotic instructor; Harry Legore, Hanover R. 7, historian; Percy Robinson, senior color guard; John Zercher, junior color guard, and Master Sergeant William Baldwin, musician.

Banquet Nov. 9

The local camp will tender a banquet in honor of Commander Rightmyer on November 9, the time and place to be announced later.

Department Commander John D. Martz and Mrs. Martz, of Greensburg, are expected to be guests at the banquet and Don Manahan, Harrisburg, past department commander, and Norman Reams, Harrisburg, past senior vice department commander have been invited.

The local camp will entertain the 1946 convention of the Pennsylvania Department, United Spanish War Veterans here next June. Further details of the convention program are expected to be announced at the November 9 banquet.

SGT. SMITH HOME

S. Sgt. Francis Smith, son of Mr. and Mrs. Earl Smith, Chambersburg street, returned to Gettysburg Friday on a brief leave from Indiantown Gap preliminary to his discharge. He has been in the service 5 years and wears five battle stars on his European theater ribbon. Two brothers remain overseas, Pvt. Dale Smith, either the Philippines or Japan, and S. Sgt. Robert Smith, who is with the Air Corps in China.

Solemn High Mass Marks Two Fetes

A solemn high mass, sponsored by the local council of the Knights of Columbus, was sung in St. Francis Xavier's Catholic church Sunday morning at 10:30 o'clock to commemorate the 25th anniversary of Bishop George Leech's ordination to the priesthood and his 10th anniversary as Bishop of the Harrisburg diocese which includes Adams county.

Rev. Fr. P. X. Desmond, rector of Mt. St. Mary's seminary was the celebrant. Rev. Stephen J. Hridick was deacon, Rev. Hugh McGroarty, sub-deacon and Rev. L. J. Taznonskas was master of ceremonies.

On Wednesday Bishop Leech officiated at a solemn high mass in the Cathedral, Harrisburg, in observance of the two anniversaries. Many members of the local congregation are planning to attend the services.

TWO CRASHES SUNDAY; ONE TO BE NABBED

One woman was slightly injured and one driver charged in traffic mishaps on county highways on Sunday, state police here reported this morning after conducting investigations.

One crash occurred at Cross Keys on the Lincoln highway when Florence Mummert, Hanover R. 1, drove onto the Lincoln highway from the direction of Hanover and struck the left side of a car operated by John T. Hummer, York. The woman driver told officers she looked to the left before driving onto the main road.

She is to be charged before Justice of the Peace H. C. Brinton, Berwick township, with failing to yield the right of way.

No one was injured in the collision but damage to the two cars was estimated at about \$85.

Woman Is Injured

The second crash occurred at the Heidlersburg intersection at 7 p. m. Cars operated by H. F. Phillips, York Springs R. 2, and Margaret Bernice Bowers, Shiremanstown, collided as they entered the intersection from opposite directions on the East Berlin-Biglerville road. Each attempted to make a left turn and they collided.

Nellie Bowers, also of Shiremanstown, was treated for chest injuries by Dr. P. J. McGlynn, Biglerville, at his office.

The investigating officer said no charges have been laid. Damage to the two machines was placed at about \$15.

Preaches Sermon At Anniversary Fete

The Rev. Howard Schley Fox preached the sermon at the 200th Anniversary Service at Trinity Reformed church, Hellam, Sunday evening at 7:30 o'clock.

The Rev. Mr. Fox will preside at the joint Consistory meeting of the Ft. Loudon McConnellsburg charge of the Reformed church this evening as president of Mercersburg Synod. The meeting will be held in the church at Ft. Loudon.

PICK UP FUGITIVE

State police here picked up Leo Joseph Larcher, who, they found, was a fugitive from St. James home for boys in Baltimore, and are holding him in jail here for Baltimore authorities. Larcher was taken into custody at Abbottstown Sunday.

Live Allied Prisoners Used By Nips For Bayonet Drills

By DUANNE HENNESSY

Tokyo, Oct. 15 (AP)—The use of live Allied prisoners of war as bayonet practice targets, while Allied officers were forced to look on, has been fully established, General MacArthur's headquarters announced today.

The new record of atrocity was developed by the secret Allied translation and interrogation section of the Allied headquarters which worked through the war interviewing Japanese prisoners and sorting documents seized in battle zones. The secret unit, the existence of which was undisclosed until last week, included many Japanese-Americans and worked often while shells were still blasting across contested positions.

One of the worst of the bayonet practice atrocities occurred on Guadalcanal where two Europeans and one Eurasian were used as practice targets while Allied officers were forced to stand in line and watch for six and a half hours while the three were horribly mutilated and tortured by the stabbing, jabbing Nipponese, the announcement said. Enlisted prisoners periodically were paraded past the scene so they could see the death agonies of the three.

JACOB W. DUBBS, VETERAN OF 2 WARS, EXPIRES

Jacob Winfield Dubbs, 143 Hanover street, veteran of 33 years of navy services that included duty during World Wars I and II, died Sunday morning at 3:45 o'clock in the Warner hospital where he had been a patient for nine days. Death followed an illness of three weeks.

One of the first Adams countians to volunteer for service after the Japs struck at Pearl Harbor, Dubbs was accepted for duty at Elizabeth City, N. C., at his old rank of chief boatswain's mate on which he had been placed on retirement in December, 1932. Prior to his retirement he had served for 30 years in the navy.

During his naval service aboard such ships as the Wyoming, Idaho, Parnie, Rainbow, Lancaster, California, Independence, Raleigh and the Franklin, he made three voyages around the world. He was in China at the time of the Boxer Rebellion and helped evacuate missionaries from that country. He witnessed some of the engagements of the Russo-Japanese war while stationed at Port Arthur nearly a half century ago.

Funeral Wednesday

The deceased was a charter member of the Albert J. Lentz post No. 202 of the American Legion and a member of the local lodge of the Moose. He was a son of Mrs. Laura J. Boyd Dubbs, of Gettysburg, and the late L. Elmer Dubbs.

Surviving are his widow, the former Mary C. Pettengill, to whom he was married 19 years ago; these children: Winfield Wallace Dubbs, Blair L., Dorothy I. and Charles L., all at home; two brothers, William H. Dubbs, Gettysburg, and Allen Dubbs, Shippensburg, and a sister, Mrs. J. A. Wiedmayer, Philadelphia.

Funeral services from the Bender funeral home Wednesday afternoon at 2 o'clock with the Rev. Dr. Ralph R. Gresh, St. James Lutheran pastor, officiating with interment in the National cemetery with military honors. Friends may call at the Bender funeral home Tuesday evening after 7 o'clock.

COUNTIAN WEDS HANOVER BRIDE SUNDAY NIGHT

At a candlelight service in Trinity Reformed church, Hanover, Sunday evening at 6 o'clock, Miss Betty Jane Newman, daughter of Mr. and Mrs. Harvey J. Newman, Hanover, became the bride of SK 1/c Jay Scott Charles, son of Mrs. Lolita D. Charles, Cashtown.

The church was decorated with palms, ferns and fall flowers. William Fuhrman, organist of the church, presented a recital while the guests assembled and used the traditional wedding marches. Master Lewis Gobrecht, boy soprano of Hanover, sang "I Love You Truly" and "Because." The double ring ceremony was performed by the bride's pastor, the Rev. Howard E. Sheely, assisted by the bridegroom's uncle, the Rev. Philip Bower, pastor of Elias Lutheran church, Emmitsburg, Md.

The bride was given in marriage by her father. She was attended by Miss Jeanne Balliet, Danville, at maid of honor and Miss Justine Charles, Cashtown, sister of the bridegroom and Mrs. Robert Richards, Jr., Hanover, as bridesmaids. The bridegroom had for his best man, Lt. (j.g.) Charles Bushey, Biglerville R. D. The ushers were: Pfc. Donald Shaw, New Kensington Pa., and Blaine Bushey, Jr., Biglerville R. D.

Bridal Gown

The bride was attired in a gown of white brocade taffeta, with a low-shaped neckline, leg of mutton sleeves, tight bodice and full skirt, ending in a train. Her veil was finger-tip length, falling from a braided Juliet cap. She carried a white Bible with an orchid on it and ribbon streamers, the gift of her mother. The maid of honor wore an aqua bengaline gown with a square neckline, three quarter length sleeves, tight bodice, and full skirt, ending in a train. She carried a muff of the same material as her (Please Turn To Page Two)

Lt. Ernest Brindle Receives Discharge

First Lt. Ernest W. Brindle, Jr., son of the Rev. and Mrs. E. W. Brindle, Biglerville, was recently discharged from the Army Air Forces at Ellington Field, Texas.

Lt. Brindle served for two and one-half years and was overseas one year as lead navigator in the 8th Air Force. He was awarded the Distinguished Flying Cross, Air Medal with three clusters, ETO ribbon with four battle stars and a Distinguished Unit citation.

Heads St. James' Laymen's Group

Norman W. Storrick was elected president of the Laymen of St. James Lutheran church at an organization meeting held recently at the church. All men of the congregation automatically become members of the laymen's group which will work in cooperation with the newly-formed laymen's organization of Gettysburg.

The other St. James officers are: Vice president, Richard C. Lighter; secretary, J. Herbert Raymond, and treasurer, John C. Bream. A devotional service preceded the business session and the pastor, the Rev. Dr. Ralph R. Gresh, told of the formation of the community laymen's group.

"SERVICE ABOVE SELF"

The Rotary Club of Gettysburg marks its 25th anniversary as an affiliate of Rotary International at a Ladies' Night dinner-meeting at 6 o'clock this evening at the Hotel Gettysburg. . . . A Silver Jubilee anniversary as a service club in historic Gettysburg.

With a nucleus of 20 business and professional men the local club . . . 770th of Rotary International . . . was organized on Friday evening, October 1, 1920, at a banquet at the Hotel Gettysburg. The York club sponsored the local organization and officers of that club conducted the meeting. Edmund W. Thomas was named president and George C. Fissel secretary. The board of directors included John D. Keith, M. C. Jones, Allen Plank and the Messrs. Thomas and Fissel.

At a banquet at the Eagle Hotel on the following November 15 the Gettysburg Rotary Club received its charter as an affiliate of Rotary International. District Governor John Rudisill, of York, formally presented the charter to M. C. Jones, president of the local club, which had extended its membership to 28. The officers were officially installed and Rotary International of Gettysburg was officially created.

From that modest beginning the local club has grown to 47 active members, two in the armed forces and four who enjoy the privileges of honorary membership.

Last August Rotary International reported 5,467 clubs . . . 28 of these in Europe, Asia and North Africa being inactive . . . with an approximate membership of 247,975 in 63 countries

and geographical regions. This represents a growth of more than 4,800 new clubs since the local group was organized, conclusive evidence of the worldwide interest in the objectives of Rotary.

The Wheels of Rotary International were first set in motion on February 23, 1905, when Paul P. Harris, a Chicago lawyer, organized the first club. He named it "Rotary" because the members met in rotation in their various places of business. Since that time Rotary has never ceased to exist.

The second Rotary club was founded in San Francisco in 1908 and two years later 14 additional clubs had been organized. These 16 clubs formed the National Association of Rotary Clubs. Two years later, with new clubs functioning in Canada and Great Britain the name was changed to the International Association of Rotary clubs and in 1922 it was shortened to Rotary International.

Japan Passes Into Oblivion As A Military Unit Of World

By RUSSELL BRINES

Tokyo, Oct. 15 (AP)—Japan slipped quietly and with mingled feelings into military oblivion today as its demobilization was completed on schedule, and for the first time in history these islands held no combat military force, either in fact or in name.

As the fighting force of 7,000,000 soldiers and sailors at home and abroad was reduced to nothing, the translation and interrogation section of Allied headquarters produced evidence that Japanese troops had used live Allied prisoners in bayonet practice on Guadalcanal and in China.

With the exit of the defeated, discredited warlords, Japanese political leaders stepped onto the national stage to put into effect a list of democratic principles prescribed by Allied headquarters.

Curb Emperor's Power

Prince Fumimaro Konoye, one of Emperor Hirohito's close advisors, said in an interview that "his Majesty is anxious that revisions be made" in the constitution to bring about the reforms decreed by headquarters.

Konoye, who was boomed as the head of a new political party added that constitutional revisions under consideration would curb Hirohito's almost unlimited power over his 77,000,000 subjects and give the Diet some supervision over expenditures of the imperial household. Another being mentioned prominently as a prospective party head was Gen. Kuzushige Ugaki, 77-year-old military politician.

Japan's incubator of imperialistic schemes since 1878, the imperial general staff headquarters, was dissolved formally and the general staff went out of office today, in accord with Potsdam declaration terms.

The once proud and powerful army and navy ministers continued to do business but merely as "ministries for demobilization."

MacArthur on Air

Allied headquarters announced that General MacArthur would broadcast to the United States at 8 a. m. tomorrow 6 p. m. today, (Eastern Standard Time) on "Military phases of the Occupation."

Only a few thousand men remained in active service as Japanese soldiers and sailors. Their job was to finish turning over equipment to the American occupation force, clearing of minefields and processing of service men returning from overseas.

The man in the street generally was glad to see the end of militarism but some displayed shame over defeat.

The few officers and men remaining on duty in the Japanese army will be permitted to wear their uniforms because the war left the country so poor they can get no other clothes. They will lose their military designations and will be known as liaison personnel for demobilization.

"While Premier Kijuro Shidehara's cabinet tussled with the problem of drafting constitutional social reform decrees, in line with MacArthur's directives, political leaders proceeded with plans for party organizations.

Ichiro Hatoyama, veteran politician, has announced a "new Japan Liberal party" which opposes the planned-economy program of the "Japan social party" headed by Hoyohoko Kagawa, Christian Liberal, and Isao Abe. Another socialist party is in the offing.

Communist Leader Kochio Shiga, recently released under MacArthur's orders freeing Japanese political prisoners, was reported by Domei agency to be urging establishment of a democracy "in the American way."

Three Arrests For Code Violations

State police here reported today three recent arrests for motor code violations, two speeding charges and one of driving without a license.

Catherine Ellen Mitz, Littlestown, is charged before Justice of the Peace Robert P. Snyder with driving without an operator's license and speeding charges are on file against J. A. Moyer, Williamsport, before Justice of the Peace Robert Bell, Straban township, and Raymond L. Pepple, Smithburg, Md., before Justice of the Peace Howard L. Harbaugh, Fairfield.

Moyer is charged with driving 60 miles an hour. Pepple paid his \$10 fine and the costs on a charge of driving 65 mph.

OBSERVER SAYS PIERRE LAVAL WAS A "BAD UN"

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

So Laval finally has collected the wages of his sins. One might wish that his trial hadn't been surrounded by such emotional scenes, but there will be few who believe he wasn't guilty as charged.

I met and interviewed Laval in pre-war days when he was at the height of his power, politically and financially. The first task of a reporter in doing an interview is to size up his man, and my immediate and definite impression was that Laval was a "bad 'un." He was smart and had great capabilities—but his god was Laval, and he was greedy for power.

The rebellions in Java and Indo-China, aided respectively at French and Dutch rule, strike me as symptomatic of a trend which is part of our new era—and that is the transformation of the European nations' empires into commonwealths.

In short, empires as such are on their way out.

Britain long ago recognized the signs and outdistanced time by inaugurating the British commonwealth of nations, to which she now is planning to add mighty India. Within this commonwealth the dominions have sovereignty, but are linked together by ties of blood and mutual interest. There can be no doubt that other imperial governments must follow suit.

A Rich Prize

My idea that commonwealths are logical successors to the empires is based on the thought that the little countries—like Java, for instance—which are now dependencies, will still need the economic and military support of the "mother" country. That is, they will need it until the world reaches that happy day when peace is a fixture and small countries no longer need fear aggression from big nations.

The position on the island of Java—one of the world's garden spots—is complicated. There are said to be two factions in rebellion, both of them seeking independence.

Java is a rich prize. It is a slim island but extends for 622 miles, and into this tight space are packed 45,000,000 people, of whom some 200,000 are Dutch. This tropical country produces rubber, tin, sugar, oil, quinine, coffee and many other things. It is the business center for all the Dutch East Indies.

96 Requests For Military Ballots

Clarence Smith, chief clerk to the county commissioners, reported today that only 96 military ballots have been mailed so far in preparation for the general election. Mr. Smith said that ballots are sent to all qualified servicemen and women whose addresses are furnished to the commissioners' office.

Last year more than 2,500 ballots were mailed for participation in the presidential election. A country-wide canvass was made to secure the servicemen's addresses.

Edward Rinehart Given Promotion

Pfc. Edward Rinehart, Jr., son of Mr. and Mrs. Edward Rinehart, West Middle street, who is now serving as supply clerk to Headquarters Company 3884 SCU at New Cumberland, has been promoted to the rank of technical sergeant.

Sgt. Rinehart served in the European theater for a year as a communications man with an infantry unit of the 28th Division.

Unidentified Plane Found On Mountain

Atlanta, Oct. 15 (AP)—Army search crews have located the wreckage of an unidentified plane atop Mount Cuyot in the Tennessee-North Carolina Smoky mountains, the Atlanta Army air base announced today.

The Army spokesman said the plane is believed to be a C-45 transport which was reported missing Oct. 5 while on a flight from St. Louis to Charlotte, N. C.

Mount Cuyot is on the North Carolina side of the state border about 50 miles due east of Knoxville.

Army rescue parties from Asheville, N. C., are now enroute to the mountain top under the guidance of U. S. Forest Rangers, the Public Relations Office said.

The wreckage, still to be identified, was first spotted by a C-47 search plane from Scott Field, Ill.

Named Secretary Of Military Tribunal

Berlin, Oct. 15 (AP)—Harold Willey, deputy clerk of the U. S. Supreme court, today was appointed general secretary of the International Military Tribunal which will try major German war criminals at Nuernberg.

Willey, a native of Portland, Ore., and a resident of Arlington, Va., will be assisted by a large secretariat which will handle the files of each of the four prosecuting nations.

The objects of Rotary are to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

"The development of acquaintance as an opportunity for service.

"High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society."

"The application of the ideal of service by every Rotarian to his personal, business and community life;

"The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service."

Rotary clubs throughout the world have engaged in a multitude of activities including: Community-betterment undertakings, such as community beautification; charity and relief work; sponsoring of health programs, medical clinics, recreation centers, playgrounds, parks, libraries, hospitals, swimming pools and skating rinks; work for crippled children and underprivileged children; the establishment and supervision of camps and clubs for boys and girls; the development of plans for the economic and social readjustment of demobilized servicemen and women and disemployed war workers;

The promotion of high standards in business and professions; assistance to students through scholarships and student loan funds; the conducting of vocational training classes for young men; finding jobs for youth;

The development of international understanding through correspondence, personal contacts, and through study of the history, economy and culture of other countries; contributing to relief funds for war victims; aiding refugees; aid to the Red Cross; study and discussion of postwar reconstruction problems.

The Rotary Club of Gettysburg has justified its membership in this world-wide organization. It has adhered to the principles of Rotary and it has kept proportionate pace with the expansion of the international organization. It has contributed its share toward fellowship and understanding and good will. It has been an influence for good in the community.

We join with many others in extending congratulations and best wishes to the Gettysburg club upon this memorable occasion . . . the successful completion of a quarter of a century of service in the most historic community in the nation. May the wheel of Rotary roll ceaselessly on and may its influence for good never wane.

James S. Cairns is president of the club; Dr. Chester N. Gitt, vice president; Dr. Frederick Tilberg, secretary; J. Calvin Shank, treasurer and David Oyler, sergeant-at-arms.

The board of directors include: Messrs. Cairns, Gitt, Tilberg, Shank, Oyler and Walter T. Africa, and Charles L. Eicholtz, Dr. Bruce N. Wolff and Mares Sherman.

STATE DEFENSE UNIT ENDS OCT. 31

Harrisburg, Oct. 15 (AP)—Pennsylvania's wartime state Council of Defense was ordered dissolved, effective October 31, by Governor Martin today.

The governor issued a proclamation setting the date for end of the wartime agency as required by the 1941 law which set it up.

The proclamation was issued a few hours before the time set for demobilization ceremonies for the Citizens' Defense Corps and the Civilian War Services.

The demobilization ceremonies were scheduled for 6:15 p. m. tonight at the state headquarters with local and county organizations following suit.

Short addresses by Governor Martin, Dr. Ralph Cooper Hutchison, president of Lafayette college and executive director of the defense council, and Mrs. Worthington Scranton, of Scranton, commander of the council's war services, will be broadcast over a state-wide network.

Marines To Leave China "Very Soon"

Chungking, Oct. 15 (AP)—Generalissimo Chiang Kai-shek said today at his first postwar press conference that United States Marines would be withdrawn from North China "very soon."

He said they would start leaving as soon as they were relieved by Chinese Central Government forces.

The Marines were sent into North China recently to help Chinese authorities disarm surrendered Japanese.

Chiang said also he hopes to visit the United States, Britain, Russia and France "as soon as time permits," but he added "it is very difficult to determine the time beforehand."

SHORTAGE OF FUEL MAY CLOSE SCHOOLS SOON

Pittsburgh, Oct. 15 (AP)—Further industrial cutbacks and possible closing of schools and churches for lack of fuel loomed this week as the 25-day-old coal strike continued.

The board of education disclosed it had appealed to the Solid Fuels Administration for an emergency supply of coal for three local high schools.

An officer of the Retail Coal Merchants' Association forecast the closing of some schools and churches by the end of the week unless coal can be supplied.

The strikes, arising from demands of mine bosses for recognition of their union—the United Mine Workers' United Clerical, Technical and Supervisory Employees—have closed more than 900 pits in six states and made 201,000 men idle.

A state-by-state breakdown shows 61,000 idle in Pennsylvania, 91,600 in West Virginia, 27,200 in Kentucky, 8,000 each in Ohio and Tennessee and 6,000 in Indiana.

Cutbacks due to lack of coal are expected to cause furloughing of 10,000 steelworkers employed by the Carnegie-Illinois Steel corporation, with 5,000 already idle at plants in Duquesne, Homestead, Braddock and Farrell.

The steel corporation expects its production rate to drop to 28 per cent of capacity this week, compared with 51 per cent last week. District mills generally are slated to operate at 47 per cent of theoretical capacity.

Truman Calls Entire WLB For Conference

Washington, Oct. 15 (AP)—President Truman today summoned the entire War Labor Board to a conference at the White House on the board's future role in the formation of wage policy and in labor disputes.

Secretary of Labor Schwellenbach also was invited.

The board had planned to send a delegation of six, but the President sent word in advance of the meeting (12 noon, EST) that he wanted to talk with the full membership. He gave no inkling as to what plans he had for the board, which has been arranging to dissolve about mid-December.

PITT FRESHMAN ADMITS KILLING ACCIDENTALLY

Pittsburgh, Oct. 15 (AP)—An 18-year-old freshman student at the University of Pittsburgh told police yesterday he apparently accidentally shot Frank M. Amberson, Springdale, Pa., merchant, who was found dead on a secluded walk in Schenley park last week.

Police Lt. Henry Pieper said the youth, William Blader, of Brooklyn, N. Y., made a statement that he had been trying out a new revolver Thursday night. The officer quoted Blader as saying:

"I had an inkling that maybe the man had gotten in range with the bullets I fired and was injured. Anything that happened was purely accidental. It was all a mistake."

Shot Last Friday

Amberson, 50, was shot in the back Friday morning behind Carnegie music hall in the park. His locked, parked automobile was nearby.

Inspector Edward Maas said Blader was arrested in his rooming house yesterday afternoon after being traced through firearms sales records.

Pieper quoted Blader as telling the following story at a morals court hearing:

"I went around to the back of the library because I knew no one would be there. I was practicing and firing the gun, because it was the first I ever owned."

"I stood on the steps of the library and fired two shots upward into the trees. Then I walked down the steps and fired, from about my chest level, two shots toward my left."

Asked if he knew he hit someone, Blader replied: "I had an idea I shot someone accidentally when someone passed me, then went down the walk away and fell down."

gown with a nosegay of flowers on it and her headress was of the same flowers with pleated tulle. The bridesmaids' gowns were of dusty rose taffeta, fashioned in the same mode as the maid of honor's and they carried muffs and wore the same kind of headress.

Following the ceremony a reception was held at the home of the bride. The couple left on a trip to New York City.

The bride is a graduate of Hanover high school, class of 1940, and Thompson's Business school, York. She is employed in the office of the Waltersdorff Furniture company, Hanover. She will live with her parents until the bridegroom is discharged from the navy. The bridegroom is a graduate of the Gettysburg high school, class of 1939, and Thompson's Business school, York. At present he is on a 15-day leave from his station at the Naval Air Technical Training center, Memphis, Tenn.

DAFFODILS CAN BE 'TUCKED IN'

Daffodils have become favorite material for those so fortunate as to possess a bit of woodland. They flourish in shaded situations, coming into bloom under early spring sun before the trees have leaved out, and then the shade protecting them so that they ripen their foliage and mature their bulbs without being prematurely ripened by hot summer sun.

Another most effective practice is to tuck bulbs in vacant spots all over the garden between other perennials and under the edges of shrubbery so that in their season the daffodils give character to the entire garden, and then their leaves, which are unsightly and floppy during their maturing period, are concealed by the foliage of the perennials which mount above them and provide shade for the daffodils. For this purpose the older and cheaper daffodils and narcissi are ideal and furnish as fine an effect as can be obtained by the larger flowered and much more expensive modern hybrids.

The poetous types are favored for woodland planting in combination with the native bluebell or mertensia, the wood phlox, dieris, and the white wood lily, trillium grandiflorum. In the garden they are in season with the early tulips and the dwarf irises and smaller spring bulbs.

Garden Activities For Mid-October

Rose planting time is approaching. Fall planted roses gain a year over spring planted ones. They start making new roots as soon as planted, even though the upper part of the plants are dormant. If your garden schedule calls for roses, order the plants immediately and prepare the beds now.

Order deciduous trees and shrubs for late October and November planting.

Evergreens may be planted now. When planting tulips and daffodils this fall dig the holes large enough that each bulb will slide firmly to the bottom and not hang suspended with air pockets underneath and earth on top.

If your house plants show signs of scale or insect injury, give them a

Some of them are delightfully fragrant and are prized for this feature as well as their beauty. The narcissus family offers the first long-stemmed cutting material of spring. They are ideal cut flowers, as is shown by the quantities of daffodils forced and sold by florists each winter. The trumpet varieties are easily grown as house plants, provided only that the atmosphere is not too dry, in which case buds often blast.

thorough washing with soap and water to which either pyrethrum or nicotine has been added. Use a soft brush to wash the leaves and dislodge the insects. Do not rub the leaves harshly.

Help to diminish insect attacks on next year's crops by cleaning the garden of crop remnants such as old vines, stalks and decayed vegetables. Many insect pests feed on this debris in late fall.

Cabbage can be stored outdoors by placing the heads down in trenches and covering them with leaves and soil. As the temperature drops, throw on more soil.

When severe frost has put an end to the display of the late-flowering tall perennials, cut them down to prevent winds from loosening the roots.

TWO WAYS TO PLANT BULBS

There are two methods commonly followed in planting bulbs.

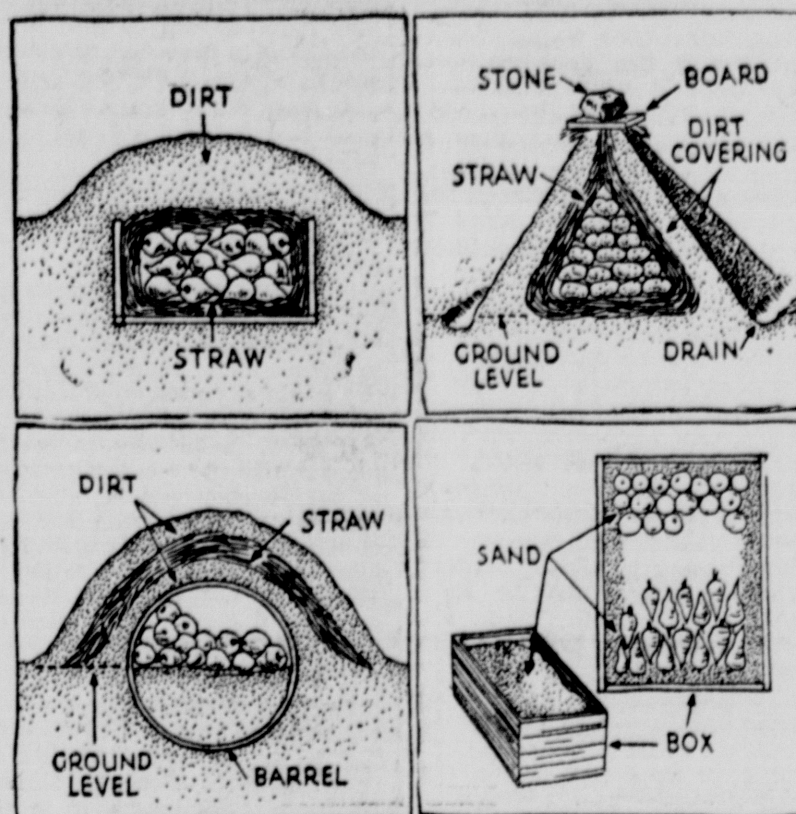

1—Where bulbs are to be planted among perennials in the border, without disturbing the established plants, a hole the proper depth should be dug for each bulb with a trowel or a dibber. In either case be sure the hole has a flat (not pointed) bottom so the bulb rests on loose soil and is not "hung" in an air pocket. Mix a tablespoonful of balanced plant food thoroughly with the soil below each bulb.

2—Where bulbs are planted in space free of other plants, a bed may be excavated to the maximum depth necessary for your planting. Loosen soil on bottom and level it. Place in desired locations, the bulbs which should be planted deepest. Then start filling in the soil. Smaller bulbs, requiring shallower planting, may be placed as the soil is filled in to their required depths. Plant food spread over the surface before excavating, at rate of four pounds to a hundred square feet, will be mixed with the soil by the operation.

Bulbs Start Early
An impression is often held that bulbs which are newly planted in the fall do not require plant food. It is true that mature bulbs have stored up food in themselves which may be sufficient to produce a flower. But this is only part of the story.

At the time the flower is being produced a large number of roots are being formed. These roots seek in the soil for plant food and water which they supply to the growing plant. If there is a deficiency of plant food in the soil, the growth of the plant is greatly hampered. The production of a vigorous, perfect flower of normal size and color

Many V-Garden Crops Easily Stored For Winter

As freezing weather approaches, vegetables which remain in good condition in the Victory garden may easily be stored safely for winter use. Kale, Brussels sprouts, parsnips and salsify will stand freezing, and are usually left in the garden, and harvested as needed, until just before the ground freezes deeply.

If parsnips and salsify are dug at this stage, washed and enough for one meal packed in a paper bag, the bags can be stored outdoors in any convenient place where they will remain dry and safe from animals. They can be taken into the kitchen and thawed out for use as needed.

Tomatoes should be harvested after the first hard frost. Many can be ripened if laid on a shelf in a warm basement; some prefer to hang them up, still attached to the vine.

Cold Cellar Best
Carrots, beets, turnips, rutabagas, potatoes, apples and cabbages can be stored in an unheated garage or shed for several weeks, until the outside temperatures have fallen to requires this additional nourishment taken from the soil.

Fully as important as flower production is the development of well matured bulbs for the following year.

Since bulbs start to grow so early in the spring, it is difficult to work plant food into the soil so as to get it down to the bulbs before growth starts. It is therefore advisable to mix a complete plant food thoroughly with the soil before planting the bulbs.

heated basements for some time if they are packed in boxes with wet sand about them.

Outdoor Storage

Where basement storage is not practical, an outdoor storage pit may be easily constructed by digging a pit as large as desired, and deep enough to stand in. Lay heavy boards over the pit, even with the surface, and cover the boards with a mound of earth. A ditch should be dug around the mound to lead surface water away from the pit entrance, which is provided with a ladder or steps. A door should be fitted to the entrance, preferably two doors with an air-space between them, to keep out the frost. In such a pit the fruits and vegetables may be stored in boxes, bins or on shelves.

Where the quantity to be stored does not warrant a large pit, various adaptations of the idea may be used, as shown in the illustration.

Vegetables stored should be in good condition, not too old or too immature; and tender vegetables which have been exposed to frost should never be stored. Avoid vegetables with bruises or skin punctures, as decay will start from these, and never store vegetables which are wet. Even the hardest vegetables should not be stored if they have been frozen.

Do not close outdoor root cellars tightly until the temperature inside has dropped close to freezing, and do not cover vegetables in earth pits until the soil has cooled off thoroughly.

3 FATALLY INJURED

Ashtabula, Ohio, Oct. 15 (AP)—Injuries received in a truck-auto crash Friday caused the death of Mrs. Mary Louis Kuhn, 25, of Cleveland, in Ashtabula General hospital yesterday. Her two-year-old son and another child, 4, were killed in the accident. Mrs. Sally Mae Plough, mother of the dead child, was reported in fair condition.

Rejuvenating Old Geraniums
Geraniums, according to polls taken among indoor plant growers, lead in numbers and frequently in popularity. Yet few growers have compact plants with maximum beauty of blooms and foliage. Below are a few cultural suggestions for growing this old favorite, with emphasis on rejuvenating scraggy specimens which have become unsightly from long neglect and abuse.

There is a general tendency for geraniums to shed their older and bottom leaves and thereby develop long, naked stems. Such plants rarely produce flowers and detract, rather than add, to the ornamental effects of indoor gardens. But on the other hand, there are no other (Please Turn to Page 5)

ANSWERING MR. HERSHEY
Milton S. Hershey gave as the secret of his success: "Late to bed; late to rise."—News Item.

I tried that, Mr. Hershey, but it didn't work with me.

A great clock in the hallway caught whoever late might be. And the man who did the firing only ugly phrases said.

When I told him: "Late in rising," for this reason, "late to bed!"

In that moment he detached me from the payroll, muttering: "Hence!"

You may sleep your way to triumph, but no more at our expense.

If success is what you're seeking here's the method I advise: Till you've pocketed your fortune you had better early rise."

Not one boss that I encountered ever said to me: "My boy, You'll make sixty million dollars since your sleep you so enjoy."

But when late I came of mornings, for the time they doctored my pay.

"Late to bed and late to rise," sir! I lost many a job that way.

Today's Talk

By GEORGE MATTHEW ADAMS

SECURITY

From a material standpoint it is difficult for any of us to say that we are secure. Security shifts all through life. He who is secure today may not be tomorrow.

Many look upon financial security as the highest form of security that a man can have. This is not true. It is highly important, however, for one's peace of mind, but not for one's peace of soul. "For," as it is written, "what is a man profited, if he shall gain the whole world, and lose his own soul?"

The happiest people of my acquaintance have been those who have felt secure in their hearts—people full of personal peace of mind, with a balanced sense of values, and unafraid to contest the right to a decent portion of life's rewards.

To have an abiding faith is to be assured of a security that nothing in this world can surpass. I have sat at the bedside of poor people, rich in faith, and seen them smile at the door of death—secure in the faith that they had clung to throughout their lives.

Belief in a Supreme Being and in a knowledge superior to ours is what fortifies our faith throughout life and lends to us an inward consciousness of power. This power becomes our security in the face of material failure, the loss of friends, or shattered illusions.

There is a sense of security that a man feels in his heart, when he espouses the right, or when he bravely defends himself against abuse and misrepresentation.

Knowledge and experience are both fortifiers of security. The more we know and the greater our experience, the abler we are when emergencies arise, or when trouble comes, or everything suddenly grows dark.

He who has buried beauty within his heart and who has stored his mind with the great and useful thoughts of all time, has already secured himself against boredom and set aside a type of wealth that has no losing value.

Tomorrow Mr. Adams will talk on the subject: "Places and People"

CONSTRUCTION AND AIR TRAVEL CONTROLS GONE

By STERLING I. GREEN

Washington, Oct. 15 (AP)—All controls came off construction and airplane travel today as the nation entered its third month of peace.

Lifting of WPB's ban on civilian construction was expected to stimulate business expansion and provide a new source of jobs for the country's rising total of unemployed.

It came as reconversion officials voiced general satisfaction with the progress thus far made while cautioning at the same time that the upsurge of labor strife would delay the back-to-normal process.

Forecasting Trends
From official and unofficial quarters came these forecasts of future trends and actions:

Wages—Labor wants a 30 per cent increase to offset loss of overtime. Official sentiment is growing for federal approval of a rise of perhaps 15 per cent, but this plan so far lacks White House blessing.

Prices—Such a wage boost necessarily would increase price levels by three or four per cent. Meantime OPA is holding the line, insisting on 1942 retail prices for most goods coming back on the market.

More Strikes Ahead
Strikes—Failure to date in settling critical oil and coal emergencies has spurred demands for some peacetime dispute-handling machinery. This could mean revival of the dying War Labor Board or creation of a new agency to handle test cases and fix a formula for peaceful settlements. Indications are that unions will request 600 strike votes in October, double last month's record total. The stricken industries include automobiles, lumber, shipping and trucking.

Food—Meat rationing probably will continue after November 1, OPA officials believe no improvement seen in sugar soon.

Clothes—Supplies in stores improving, but WPB is investigating the lag in its low-cost garment program. Shoes may go off rationing November 1, if production rises, but so far output has not jumped as expected. Nylons already appearing occasionally in big cities' stores.

More Rationing To End
Hard goods—Washers, radios and the like arriving in sample quantities. Major auto companies in production or near it, but threatened with strikes. Sales control over refrigerators lifted—find one and you can buy it.

Jobs—Upwards of 2,000,000 idle. High unemployment forecast through 1946, since industrial expansion cannot keep pace with the rapid return of veterans. However, about 700,000 jobs are looking for takers and the daily strike total covers around 450,000.

The removal of passenger priorities on domestic and foreign air lines knocked out one of the remaining controls over transportation.

To Build 500,000 Houses
Still on the books are tire rationing, which the rubber industry hopes to see ended by New Year's; curbs on home delivery service, which will be erased November 1, and truck rationing, which ends December 1.

While airplane passengers now may be sure of not getting "bumped" en route, they may have difficulty for a time getting space. Because of the shortage of planes and increased travel due to lower fares, the airlines suggest that reservations be made well in advance.

Revocation of WPB's familiar "Order L41," the construction ban, cleared the way for the building of an estimated 500,000 new houses next year, and for the building of 12,500,000 in the next 10 years—the government's goal. It also removed the barriers for millions of dollars worth of hotel, apartment, store, theater and office building construction, pent up for three and one-half years.

Philadelphia, Oct. 15 (AP)—North and southbound traffic on Pennsylvania tracks between Hagerstown, Md., and Rutherford, Pa., were cleared of wreckage today following derailment of 10 cars of an 82-car Reading railroad freight train, carrying mostly coal, south of Penn-road, Pa.

Governor Hails New School Bill

Harrisburg, Oct. 15 (AP)—Governor Martin hailed as a major achievement of the 1945 Legislature the appropriation of \$125,000 to the schools of Pennsylvania.

He said \$49,000,000 "will be used to provide for increased teachers' salaries" and declared other new school laws "will have lasting influence on educational practices and procedures in the entire future of Pennsylvania."

Martin outlined what the Assembly enacted for the benefit of education in the third of a series of "reports on Pennsylvania progress."

He said "among the accomplishments of the 1945 Legislature was passage of an act providing for thorough physical examination of all pupils in public and private schools of the Commonwealth."

STEAL SAFE AND TRUCK
Eric, Pa., Oct. 15 (AP)—Police today sought two enterprising burglars who, unable to open a 700-pound safe belonging to the Canteen Service company, loaded it onto a company truck and drove away.

M. S. HERSHEY RITES TUESDAY

Hershey, Pa., Oct. 15 (AP)—Funeral services for the late Milton S. Hershey, 88-year-old manufacturer and philanthropist who died here Saturday will be held in the auditorium of the school he built for orphan boys.

His body will lie in state tomorrow from 9 a. m. until 1 p. m. in the foyer of the school. At 2 p. m. the clergy of the town, a Catholic priest and five protestant ministers, will officiate at non-denominational services.

In all the Hershey churches special services were held Sunday with the sermons and prayers dedicated to the man who ten years ago gave the then five churches gifts of \$20,000 each to free them from debt.

Honorary pallbearers at the funeral will be the board of managers of the Hershey estates, which includes P. A. Staples, who takes over direction of the vast Hershey holdings; D. Paul Witmer, Arthur R. Whitman, William F. R. Murrie, Ezra F. Hershey, P. H. Hershey, Charles F. Ziegler, O. E. Bruner, and William H. Earnest.

The actual pallbearers will be eight seniors from the Hershey Industrial school, orphan boys who are receiving their education through Hershey's philanthropy in providing that the bulk of his \$84,000,000 fortune be used to continue the existence of the school he founded in 1909.

Burial will be in the Hershey cemetery, another part of the model community that Hershey erected during his lifetime in Perry township, Dauphin county.

Meats, Fats, Etc.—Book four stamps A1 through E1 good through October 31; F1 through K1 good through November 30; L1 through Q1 good through December 31; R1 through V1 good through January 31.

Sugar—Book four stamp 38 good for five pounds through December 31.

Shoes—Book 3 airplane stamps 1, 2, 3 and 4 good indefinitely. OPA says no plans to cancel any.

Dec Moines, Ia., Oct. 15 (AP)—A tenant was so happy to get a place to live that he paid the finder of the house, Oliver W. Angell, of Cedar Rapids, \$25. But Walter D. Kline, Iowa District OPA director, thought differently. The OPA, he said, required Angell to pay \$50 into the U. S. Treasury since giving rewards of that nature is contrary to OPA regulations. Kline added the reward money was not refunded to the donor.

Pierre Laval

(Continued from Page 1)

About 25 spectators watched silently.

The grave was left unmarked.

It was believed, however, that his family will be given the right to move the body or place a tombstone over it.

No medical report was released immediately concerning the exact condition of Laval when he was executed. Two men had supported him on his last walk to face the firing squad.

Doctors worked on Laval with a stomach pump for two hours before the decision was made to proceed with the execution.

Says Atom Bomb Is Not A Secret

Philadelphia, Oct. 15 (AP)—The atomic bomb is not a secret, according to Dr. Roy K. Marshall, director of the FELS Planetarium here, who adds the U. S. "cannot hope to foil anyone who wants to spend time and money on the effort."

Marshall, in an address said "statements of four legislators about 'secrets' of the bomb have already made them ridiculous in the eyes of most scientists."

The Philadelphia scientist said "certain industries" have launched "a propaganda campaign" to prevent use of atomic power but he pointed out that "the minds and activities of scientists cannot be controlled forever" by the government.

Abandon Baby On Hotel Davenport

Erie, Pa., Oct. 15 (AP)—A four-week-old baby boy cooed contentedly in the detention home today as police sought the parents who abandoned him Saturday on a hotel lobby davenport.

A note pinned to his blanket read "Please take care of him. I am unable to support him."

Mrs. Elizabeth Jeffs, police matron, said the child apparently had been well fed and well cared for.

Pittsburgh, Oct. 15 (AP)—The United Smoke Council today announced it would open a campaign against smoke in Pittsburgh and Allegheny county with a rally in Stephen Foster Memorial October 23.

RADIO PROGRAMS

New York, Oct. 15 (AP)—Fixing of radio set prices by OPA giving increases to manufacturers ranging from 10% to 15 per cent over 1941 figures but with wholesalers and retailers to absorb the advance has cleared the way for active civilian production.

LONGSHOREMEN RESUME WORK

New York, Oct. 15 (AP)—Dock workers whose strike had tied up some 400 ships in New York harbor for two weeks returned to work for large numbers today and Joseph P. Rayn, lifetime president of the AFL International Longshoremen's association declared "the men are all going back to work."

When the 7:55 a. m. "shape-up" whistles blew, crowds of longshoremen who had gathered on sidewalks in front of piers immediately went to work loading and unloading ships. But Ryan declined any early calculation as to how many of the 35,000 strikers had returned.

Many reported for work Saturday and Sunday. These days normally are light work days and longshoremen said the real test of the strength of the back to work movement would come today.

"If I receive word that the majority of the men are back to work," said Ryan, "I will get the committee together and we may resume negotiations with the New York shipping association today."

Meanwhile Harry Bridges, president of the CIO International Longshoremen's and Warehousemen's association, visiting here from the west coast, had promised to back the AFL strikers with "any or all kinds of support."

MODERN OKLA., (AP)—The aviation age is here for George Turner, 19, Cameron State Agricultural college sophomore. He makes the 15-mile trip home from school each day in his own airplane. It takes 20 minutes.

During the Civil War, the number of mowers manufactured to offset the enlistment or farm labor more than tripled.

14 More Japs Are Moved To Bedford

Bedford, Pa., Oct. 15 (AP)—Fourteen more Japanese, including an admiral and other high-ranking officers, have been interned at Bedford Springs hotel, a representative of the state department said today.

The spokesman declined to reveal names or say where the Japanese were captured. The army brought them here from Washington.

Twenty-four women among the group of 188 internees are knitting so vigorously that they have depleted the community's stock of yarn. Mrs. Mollie Hine, proprietor of a branch store established in the hotel, said.

TOO HEP

Portland, Ore., (AP)—One hep tune proved too much for 18-year-old jiveter Ray Harrigan—he swallowed a toothpick while in the groove. He was rushed from a midtown ballroom to a nearby hospital with an acute intestinal perforation.

BIGLER ELEVEN WINS 3RD TILT BY 44-13 SCORE

Unbeaten Bigler high school walked the West York high gridiron 44-13 in a Lower Susquehanna conference game played Saturday afternoon on the West York field.

Coach "Hen" Bream's lads rolled up three touchdowns in rapid succession in the first period and followed with scores in each following period to win easily.

Eddie Utz took the scoring honors with four touchdowns, all after long runs. In the first period he intercepted a pass and ran about 40 yards for a score. The next period he scampered 60 yards on an off-tackle play and in the third period swept around end for another touchdown after a 60-yard jaunt. In the final period he again circled end for a 50-yard run to pay dirt.

Score Early

Sandoe scored Bigler's first touchdown on a line buck shortly after the game started. He tallied again in the third period when he scored from the 10-yard stripe after recovering a fumble.

Dave Pitzer, fullback, was used sparingly by the Cannors. He tallied in the first period on a line plunge and converted the first extra point try on a line plunge and kicked a placement for the extra point in the second period.

Both of West York's tallies were the results of passes to Silar, right end.

The entire Biglerville outfit played good ball throughout and Coach Bream was able to give a number of his reserves action during the one-sided affair.

Next Saturday the Cannors journey to Red Lion for their fourth game.

Louis Will Defend Title Next June

New York, Oct. 15 (AP)—Heavyweight Champion Joe Louis today signed a contract to defend his title in June, 1946, under the auspices of Promoter Mike Jacobs.

The champion agreed to meet Billy Conn, now considered the leading contender, or any other suitable opponent designated by Jacobs. The exact date and the site of the bout will be set by Jacobs at least 40 days prior to the fight.

In addition, Louis agreed that he will not engage in any boxing match or exhibition prior to the June bout without the written consent of the promoter.

Five Unbeaten In Western Loop Race

Harrisburg, Oct. 15 (AP)—The scholastic spotlight shifted to the Western conference over the weekend with five unbeaten elevens engaged in a battle for first place and a sixth contender with a lone setback marring its record.

Bedford, unbeaten, untied and unscored upon in six games took over the top pinnacle by defeating Claysburg 37-0; Dubois moved into the runner-up spot by halting Fernside's winning streak 18-0; and Huntington, last week's leader, rolled up a 48-6 score on hapless Lock Haven.

State College, last year's unbeaten champion, stayed in the fight with a 44-19 win over Williamsburg; while Adams Township moved into the title fight by brushing past Windber 13-7 for its sixth straight triumph. Tyrone, with one setback, on the record, was up with the leaders after halting Phillipsburg, 33-0.

IS FATALITY BURNED

Erie, Pa., Oct. 15 (AP)—Mrs. F. Birdella Osterberg, 68, was fatally burned Saturday while cooking dinner at her home. Coroner W. Wood said the woman ran out of the house seeking help after her clothing had ignited.

Sports Roundup

By HUGH FULLERTON, JR.

New York, Oct. 15 (AP)—Lou Little, Columbia's canny coach, was holding forth on how the offense has taken over football this season—and Lou's Lions didn't do so badly in that respect Saturday. . . . "That's the way it should be," he maintained, "the era of solid defense and two and three yard gains is a thing of the past. The fans want offensive football and I think we ought to encourage the offense in every way possible."

Patents Ice-Proof Auto Windshield

Pittsburgh, Oct. 15 (AP)—Walter J. O'Connor, self-educated mechanical engineer, has come up with an ice-proof automobile windshield after 16 years of research.

O'Connor was granted a patent yesterday for the invention, which he says, consists of heated fluid circulating between two sheets of hermetically sealed glass. The heat is provided by a tube of engine-warmed oil submerged in the fluid, or by electricity from the car generator.

21 TEAMS NOW UNDEFEATED IN COLLEGE RANKS

By MURRAY ROSE

New York, Oct. 15 (AP)—The dwindling list of unbeaten major football teams will get another pruning next Saturday when such undefeated powers as Ohio State and Purdue and Alabama and Tennessee clash in conference competition.

Only 21 of the gridiron great have unmarred records today after several shockers last week-end saw Cornell, Tulane, Southern California, Texas A. & M., Florida and Washington State go down to defeat for the first time.

Princeton defeated Cornell 14-6; Rice beat Tulane 13-7; San Diego Naval, which was beaten several weeks ago by UCLA, walloped Southern California, 33-6; Louisiana State conquered Texas A. & M., 31-12; Vanderbilt blanked Florida 7-0 and Washington subdued Washington State 6-0.

Middies Unimpressive

Penn State also suffered its first licking but the Nittany Lions weren't hoping to do anything but hold Navy's score down. The Middies made the services of the injured Clyde Scott and Bob Jenkins, looked far from impressive in their 28-0 conquest.

Army, Notre Dame, Ohio State, Minnesota, Alabama, Indiana and Texas—among the top ranking teams—continued their all-conquering ways.

The Cadets were given a rousing tussle by Michigan's Wolverines with Doc Blanchard and Glenn Davis proving the difference in the 28-7 count.

Other unbeaten big elevens include:

Columbia, which came from behind to defeat Yale 27-13; Pennsylvania 49-0 winners over North Carolina; Holy Cross, which defeated Villanova Sunday, 26-7; and Temple's Owls who massacred Bucknell 64-0 under the lights Friday.

World Record Is Blasted By Nelson

Seattle, Oct. 15 (AP)—Toledo's king of the links, Byron Nelson, swapped his golfing iron today for a shooting iron and slipped away to Idaho's mountains after knocking over a world's record yesterday in winning the \$10,250 Seattle open golf tournament with a score of 193-66-259.

It was worth \$2,000 in war bonds to Nelson.

It was the lowest tally in the professional golfers association books for a 72-hole tournament, undercutting by two strokes the mark hung up just two weeks before in the Portland, Ore., open by Ben Hogan of Hershey, Pa.

It was 21 strokes under par for the Broadmoor course, and the swank layout's standard also took a licking from seven other professionals and an amateur who knows the route like the back of his hand, Seattle's Harry Givan.

Glenn L. Bream Wins In Golf Tournament

Glenn L. Bream, West Broadway, captured the fourth flight golf championship in the annual match play tournament of the Columbia Country club, Washington, D. C., Saturday by defeating his opponent in the 19th hole one-down which was required after a tie at the end of the regular 18-hole match.

Seven flights of competitors of 450 playing members of the club took part in the tournament which started Wednesday. Qualifying matches were held October 5. Sixteen players qualified for each flight making a total of 112 golfers for the tournament.

On Wednesday Mr. Bream and his opponent were deadlocked at the close of their match and in the one-hole playoff Thursday morning he won one-down. Thursday afternoon he gained the semi-finals with three-down and on Friday advanced to the final match by winning on the 18th hole one-down.

PACKERS AND EAGLES LOSE

Chicago, Oct. 15 (AP)—Pre-season predictions all the way across the National football league's territory have been blasted to a shambles, and pre-season favorites are talking about comebacks, almost before the 1945 schedule has been defined.

Only two teams remained on the undefeated list—and one of those had to tie to blench its record—after yesterday's blitzkrieg by the underdogs. The champion Green Bay Packers, the favored Philadelphia Eagles, and the New York Giants all had title hopes riddled in a series of upsets probably unparalleled in National football league history.

Cleveland's Rams knocked Green Bay out of the unbeaten class, and held their own record clear, by slamming across three last quarter touchdowns for a 27-14 victory. Boston's Yanks still are unbeaten, but they settled for a 13-13 tie with New York yesterday to dampen the Giants' title hopes.

The Philadelphia Eagles went down before the Detroit Lions, 28-24. Chicago's Bears were humbled, 16-7, by their cross-town rivals, the Chicago Cardinals—first victory for the latter in their last 30 games. Washington beat Pittsburgh, 14-0.

PENN, TEMPLE LISTED AS TOP GRID MACHINES

By LEE LINDER

Philadelphia, Oct. 15 (AP)—The football magic of long touchdown runs and a high-scoring eleven enveloped Penn and Temple today—and there was no sweet music in the camps of their future opponents.

Penn's Quakers—Coach George Munger calls them "a swell bunch of kids, 17 and 18 years old"—dumped North Carolina 49-0, in an exhibition of gridiron finesse Saturday to stay atop the Keystone state select list, unbeaten and unscored on in three games.

The Owls of Temple kept pace with the Penns pigskin barrage smothering Bucknell's Bisons 64-0. Also unbeaten in three starts, the Templars are polishing the welcome mat—maybe licking their chops—in anticipation of West Virginia's Temple stadium invasion Friday night.

Temple, to date, chalked up 130 points, an average of 43.3 per game while the opposition netted a single six-pointer. Penn's "Kids" own 111 points, a game percentage of 37.

Rest For Navy

The Penn backfield artillery gets a chance to catch its breath this week-end and Munger says the Red and Blue will idle away the rest by grooming for the Oct. 27 engagement with undefeated U. S. Naval academy.

Franklin and Marshall—the state's other undefeated team—ended its abbreviated season with a 19-0 victory over Connecticut. A 7-7 tie with Swarthmore mars the four-win record.

Penn State, conquerors of Muhlenberg and Colgate, was scuttled by Navy 28-7. No pushover, even for the Middies, the Nittany Lions hope to find the victory trail this Saturday against four-times-beaten Bucknell.

Pitt Upsets Victim

Pitt's T-powered machine backfired often enough to let Michigan State cash in a 12-7 upset. The Panthers tangle with Notre Dame next and is anybody betting against the Irish?

Lafayette was trounced for the third consecutive week, Colgate doing the winning 47-0.

Drexel opened its home season with a 19-7 victory over City College of New York; Muhlenberg bowed to Rutgers 19-6; West Chester Teachers whitewashed Haverford 19-0; Lincoln defeated Delaware State, 25-13; Ursinus crushed Pennsylvania Military college 53-6; Villanova dropped a 26-7 decision to Holy Cross and Lock Haven Teachers edged East Stroudsburg Teachers 18-7 in other games over the week-end.

Louisville Wins In Little Series

Louisville, Oct. 15 (AP)—Tied up 3-3 going into the last, half of the eighth inning the Louisville Colonels shoved across two runs to defeat the Newark Bears 5-3 and win the 1945 little world series championship here yesterday.

Rex Cecil, Colonel hurler, who went the route, kept the 10 Newark hits well scattered while striking out eight Newark, in losing the sixth series game and the 1943 championship, used three pitchers.
